PROGRAM THEME

The economy of the 21st century is more dynamic than ever. Communities everywhere are challenged to keep up with a rapidly changing world. Your community's plan and your community's planning program are critical to balancing the need to respond to a dynamic world, with the need to stay true to enduring values and maintain persistent effort toward long-term goals. The 2015 conference will be a place for you to learn how to:

- Critically evaluate your plan,
- Anticipate and forecast changing conditions
- Set measurable objectives and track progress toward long-term goals of enduring value

ACTIVITIES

Volley Ball Tournament

The Nordmans are back! - Your favorite planner band will play one more farewell show.
