Creating Great Communities for All

July 22, 2022

The Washington Chapter of the American Planning Association (APA WA Chapter) is excited to announce the 2022 Student Scholarship Benefit Auction, to be held during the annual conference of the American Planning Association Washington Chapter on Wednesday, October 12, 2022, at the Hilton Vancouver Hotel.

The Washington APA Chapter has consistently prioritized creating pathways for everyone with an interest and a passion for public service to join and grow the urban and regional planning profession. The Scholarship Benefit Auction will help fund scholarships for students interested in studying planning at each of Washington's three accredited Planning schools: Eastern Washington University, the University of Washington, and Western Washington University.

With an estimated attendance of 350 to 550 planners, residents, and elected officials from around the state, **your business will get excellent name recognition.** The Washington APA Chapter is a 501c3 corporation. Donors will get name recognition for their contribution.

If you have questions about how to donate or any other details regarding the auction, please Contact Steve Butler, WA APA Chapter Auction Coordinator at sbutler@mrsc.org. He will answer your questions, connect you to the donation forms and any other information you need.
