

WELCOME PACKET

APA WA 2023 Annual Conference

October 11th-13th

Welcome to Spokane

Spokane is a place where city life mingles brilliantly with nature. Amid the charm and bustle of urban downtown Spokane, you'll find the Spokane River gorge and the inspiring Spokane Falls. Inspired restaurateurs, winemakers, and craft brewers create delicious adventures. The arts district entertains while boutiques fill out the carefully preserved historic buildings .

2023 APA WA ANNUAL CONFERENCE

The theme of the 2023 APA WA Conference is Leading the Change: Ideas from Around the State. Change is the one constant in our profession. This year introduces a wealth of it, with new planning requirements from the legislature, updated regional planning guidance, and growing community expectations for effective involvement in governance, not to mention adjusting to the new post-Covid normal in our communities. These changes touch every Washington community, and planners are responding creatively to the challenge. This October we'll learn from each others' experiences and position ourselves to lead the change.
